About Us

The Commercial Chess League of New York (CCLNY) started playing chess on Wednesday evenings after work in the autumn of 1923 and has played chess for 93 consecutive seasons. The 94th season started on September 28, 2016 and is scheduled to end in May of 2017. Sixteen teams are playing a 14 round double round robin in two divisions, each division having 8 teams. The current time control for matches is Game 90 (Each player has a total of 90 minutes to play their entire game).

Recent Team Tournament League Champions by Season (# titles won)

				Season	Team	# won
Teams that won the League championship are listed below with the number of titles won and revolving cups won. The first CCLNY season was 1923-24 and the table shows 78 seasons of play through 2000-01. There was a large cup similar to NHL's Stanley Cup with the names of the champions engraved on it and it revolved among the winning teams. When a team won 3 titles, they kept (retired) the revolving cup.				2001-02	Filipino CC	2
